

PRE-PACKAGED OUTSOURCED SAFETY SUPPORT

Hiring a full-time H&S consultant for your business is a big commitment that comes with an even bigger price tag. With HazardCo's pre-packaged outsourced safety support, we can help you limit the cost and only pay for what you need. It's important to understand that legally you cannot contract out your responsibilities for health and safety. But we can assist you and your business with your safety in a number of ways:

DEVELOPERS GOVERNANCE - CONSTRUCTION ONLY

Health and safety governance is as important as any other aspect of business governance. It is a fundamental part of an organisation's overall risk management function, which is a key responsibility of directors. Good governance practices can help your business thrive and effectively manage health and safety at all levels. We can work with you to understand your specific needs to provide you with a robust governance level H&S solution. This includes a governance policy, procedure documentation and KPI's specific for your business.
